Example 2.0.7: Example

Example

Remark 2.0.8: Example

Example

Question 2.0.9: Example

Example

3 Section

3.1 Subsection

Definition 3.1.1: Automatic Numbering with sections

Boxes will increase the number of
subsubsection

3.1.1 Subsection

Definition 3.1.2: Another box

3.2 Another subsection

Definition 3.2.1: Box on the next subsection

Definition 10.1.5: Custom numbering

Definition 10.1.6: Custom numbering 2

The identifier doesn't need to be restricted to numbers

10.2   Nesting

Definition 10.2.1: Definition

Nesting example

> **Theorem 10.2.2: Thm inside Definition**
>
> Nesting example 2
>
> > **Theorem 10.2.3: again**
> >
> > ex3

Definition 10.2.4: Definition

Definition 10.2.5: Definition

> **Theorem 10.2.6: Thm inside definition**
>
> text
>
> > **Theorem 10.2.7: nested 3**
